Why J. J. Keller E-logs?

We will be here for you as your fleet transitions to E-logs.

We are a debt-free, family and employee-owned company

No other company has hours-of-service compliance expertise like J. J. Keller.

Fleets have relied on our hours-of-service solutions since 1953

Combine E-Logs with paper logs and implement at your pace

Start with a few drivers on E-Logs and expand at your pace. Audit E-Logs, and manually-entered logs in the same system.

Be ready for CSA 2010

The Driver Fatigue BASIC can put you at great risk for DOT intervention

Unique rules and requirements fully supported

U.S., Canadian and state-specific

Increase driver productivity and operational efficiency

Eliminates paper log hassles and auditing burdens
Can utilize existing technology investment – laptops, cell-phones

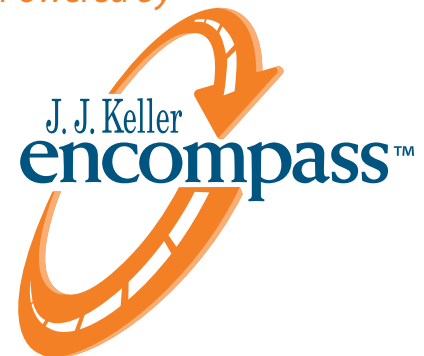

Reduce insurance premiums

Having a sound hours-of-service management system can reduce insurance costs for carriers.

Use other compliance tools when you're ready

J. J. Keller encompass™ also includes online tools to manage driver qualification, drug & alcohol testing, vehicle maintenance, titling and licensing, driver training and more.
